Kelly BLOUIN REALTOR®

YOUR LOCAL SENIORS REAL ESTATE SPECIALIST®

“ I chose Kelly after an informative conversation at her booth at a Wellness Fair. I was impressed with her commitment to the **community** and her **knowledge** of the real estate market. So much was new to me after being in one place for 35+ years. Kelly was always present at showings which was **reassuring** and was quick to respond to email questions from me. She made the whole process as smooth as possible and we had a successful result!

A Message from our Executive Director

April showers mean Spring is right around the corner and our gardeners are busy planning, pruning and preparing for planting. We are so grateful to Gail #1, Loretta, Marilyn, Ruth, Peggy, Jenn, Laurie, Vern, Al and Sally, Yvette, and Gail #2 for taking such good care of our beautiful garden spaces. Some of our gardeners, board and staff recently met with representatives from BC Bats – the Community Bat Programs of BC to learn more about the important role of bats. Bat Ambassadors in Langley have been working hard and formed a Bat-Friendly Community team comprised of

the Langley Field Naturalists, Langley Environmental Partners Society (LEPS), and Metro-Vancouver Community Bat Program. This Spring, we'll be installing a bat box on our property to help control insect pests, create pollinator gardens for nocturnal insects, and make our ecosystem healthier.

For LSRS, April also means the start of a new fiscal year. We are experiencing significant growth pressures in all our service areas, and we have made important strategic investments to ensure the increasing needs of Langley seniors are met. Two investments are yielding results already – our catering services and our fundraising efforts. LSRS is building a reputation as a “caterer with a cause” because all profits from our catering is reinvested into programs and services for seniors in Langley – this just warms my heart. Our fundraising is also seeing an increase – our 2024 Season to Share campaign reached a record total of \$57,000 and included more community donors than ever. We have exciting plans to honour our donors and showcase the impact of philanthropy this year – being a LSRS donor has never been more appreciated!

I am grateful to our volunteer Board of Directors who have been steadfast and supportive during this evolution and just like our gardens, we will see the results over time. We can't do this important work alone and are pleased to welcome a few new team members - read more about them on page 9. Going forward, we will rebalance so we can better meet the growing needs of seniors in Langley today and are poised to serve our seniors in the future.

And finally, National Volunteer Week takes place at the end of April when we honour and celebrate our volunteers. LSRS could not do all we do without the dedication and commitment of so many, and they add so much to the fabric of our organization. We are tremendously grateful for their time, efforts, and talents and salute them throughout the year!

A Message from Your Board

Mark your calendars with an important future event! The LSRS Annual General Meeting (AGM) will be held on September 5 2025. If you have not attended an AGM in the past, you have been missing important and exciting updates about your Centre, as well as losing an opportunity to provide input into the organization's future. Your attendance and engagement is important and valued. You are the change you want to see.

You may have heard that AGM's are boring? Not our's! It is true that LSRS bylaws require us to hold an AGM and we must share very specific information with you, such as the Audited Financial Statements from the previous year. But an AGM is so much more. It is a chance to find out how the Board raises money and uses the funds to help seniors.

An AGM is also an opportunity to hear Loretta Solomon, President of the Board, and Kate Ludlam, Executive Director, share updates and successes from the past year, as well as trends and plans for the future. Sometimes we feature a presentation about one of our programs or services, or have a special speaker. We also allow plenty of time for you to ask questions and get answers about anything that interests you. All of this exciting information is shared in the Main Hall around our big round tables, while sharing coffee, enjoying a Continental Breakfast, great door prizes and surrounded by your friends!

The Annual General Meeting will be held on:

Friday, September 5 2025 - 10:00 - 11:30 am
In the Main Hall
Continental Breakfast will be served

Everyone is welcome. Membership is not required to attend the AGM, but is needed to vote on motions. We encourage you to be involved by attending and encouraging others to attend. We appreciate your connections and support of one another and love you for your kindness and caring. More news about our AGM will follow in the coming months!

LSRS Staff News

We want to take a moment to express our gratitude to two team members who have moved on to new opportunities. Larissa W., Junior Bookkeeper at LSRS, and Lisa L., Recreation Programmer at ADP, have both departed the organization. We sincerely appreciate their hard work, dedication, and the contributions they made during their time with us, and we wish them all the best in their future endeavors.

We're excited to announce some fantastic new additions to our team! Diya G. has already started as our new Junior Bookkeeper, and we're thrilled to have her on board. Additionally, Sherri M. will be joining us as Programs & Member Engagement Manager starting April 14th. We look forward to the positive impact Diya and Sherri will have on our team!

Please join us in wishing Larissa and Lisa all the best, and in welcoming Diya and Sherri to their new roles!

Looking for HEARING AIDS

Tired of saying “Pardon Me”?

Hearing loss can make daily life difficult. We can help.

MEET KIM GALICK OF EARS HEARING CLINICS

Kim Galick is a mother to two beautiful girls, wife to Kevin (23 Years and counting!!) and entrepreneur who pours her heart and soul into helping her community hear better, one person at a time. She is the founder and CEO of Ears Hearing Clinics in Langley and she is passionate about her family, gardening, hockey (which her two beautiful daughters are very involved in) and helping her hearing family on their journey to better hearing.

SUPPORT LOCAL SMALL BUSINESSES

We are a local, independently owned hearing clinic. This was my dream and I'm so lucky to have a family and husband that supports me. Owning a small business has its challenges. Often, some people think it's more 'convenient' to shop at the big box stores, but I encourage you to shop at the small family owned businesses when you can. It's what keeps our local economy going!
