Kelly BLOUIN REALTOR®

YOUR LOCAL SENIORS REAL ESTATE SPECIALIST®

I chose Kelly after an informative conversation at her booth at a Wellness Fair. I was impressed with her commitment to the **community** and her **knowledge** of the real estate market. So much was new to me after being in one place for 35+ years. Kelly was always present at showings which was **reassuring** and was quick to respond to email questions from me. She made the whole process as smooth as possible and we had a successful result!

A Message from our Executive Director

As we turn the page on another eventful year, I'd like to thank all LSRS members, clients, partners, supporters and friends for the important role you have played in making our 2024 a success despite the challenges we faced. I would especially like to acknowledge the incredible dedication of our staff and volunteers. Together, they bring heart to their work every day and their contributions have a positive impact on those we serve. Quite simply, we couldn't do what we do without them.

This month, we embark on 2 new partnerships that will provide counselling services specifically tailored to seniors. Clinical Counsellor, Romeo Kabanda was our Dec 16th Monday Morning Talk Show guest and spoke about the purpose and benefits of counselling. Appointments with Romeo are now being taken at the front desk (page 15) and these will happen in our Wellness Room. In February, we will start to offer collective group counselling (page 37) in collaboration with the Langley Community Services Society. There are many unique stresses that seniors experience at this stage of life, and counselling, whether it be one-on-one or in a group setting, can help provide important learning strategies and tools.

We use the term "seniors in need" for many things and this was causing some confusion with donors who give to our "Seniors in Need" Fund. To alleviate this, we have given this fund a new name - "The HOPE Fund" - **H**elping **O**lder **P**ersons **E**xcel" (page 11). We like how this new name conveys our commitment to helping seniors thrive.

A member recently told us how he feels about LSRS and it touched my heart so much ...*"My second home. The Langley Seniors Centre, where I find friends, brothers, and sisters. Besides the good times we have there, we enjoy life by spending a nice day at the Centre. We are old and getting older maybe in age, but we are young in our spirit and communicate with each other with respect. We gather to play games but seeing each other is a big factor and helps make our life happier. Thanks to LSRS and the responsible staff who maintain such a good place for seniors. I wish you and the entire world a very Merry Christmas."*

~ from Mahmoud Saleh, an LSRS member, volunteer, and donor.

Thank you for your kind words, Mahmoud, it is so gratifying to know that our organization has made a difference in your life, it inspires us to do more!

LSRS Staff News

In November, we bid a fond farewell to Linda Smith as she headed off to enjoy a well-earned and much-deserved retirement.

Linda joined LSRS in April 2022 as our first Social Prescriber, a relatively new field that takes a holistic approach connecting people with non-medical resources to help improve their health and overall well-being. Our clients benefited from her deep experience in community health care to receive the supports they needed to get well and thrive. With her big smile and caring heart, Linda has made a difference in the lives of many of our clients, staff and volunteers.

Thank you for service, Linda, we wish you a very happy retirement!

MEET KIM GALICK OF EARS HEARING CLINICS

Kim Galick is a mother to two beautiful girls, wife to Kevin (23 Years and counting!!) and entrepreneur who pours her heart and soul into helping her community hear better, one person at a time. She is the founder and CEO of Ears Hearing Clinics in Langley and she is passionate about her family, gardening, hockey (which her two beautiful daughters are very involved in) and helping her hearing family on their journey to better hearing.

SUPPORT LOCAL SMALL BUSINESSES

We are a local, independently owned hearing clinic. This was my dream and I'm so lucky to have a family and husband that supports me. Owning a small business has its challenges. Often, some people think it's more 'convenient' to shop at the big box stores, but I encourage you to shop at the small family owned businesses when you can. It's what keeps our local economy going!
