A MESSAGE FROM OUR EXECUTIVE DIRECTOR

What a wonderful time of year this is! As we celebrate BC Seniors' Week, I am filled with immense pride and gratitude for every person who walks through our doors and contributes so richly to the fabric of our community.

Kate Ludlam,
Executive Director,
LSRS

This week, we are pulling out all the stops with a packed schedule of events and activities, and we want you to be part of every moment. We kick things off with our Rise & Shine Breakfast, where we are thrilled to welcome Dan Levitt, the BC Seniors Advocate, making this a particularly meaningful morning of conversation and community. Seats are filling up fast, so please sign up early and bring a friend!

From there, the week is brimming with programs, performances, social gatherings, and experiences crafted with you in mind. Whether you are joining us for the first time or have been part of our community for awhile, there is something here for you. Check out page 10 and our bulletin board for our complete schedule. Seniors' Week is a reminder of something we believe every single day: older adults are not just recipients of community - they are the community. Your stories, your resilience, your laughter, and your

generosity shape everything we do.

Speaking of making our spaces even better, I am excited to share news of "A Place to Sit", our latest fundraising campaign. We are working to raise \$25,000 to replace worn and outdated chairs across both of our sites. Comfortable, safe seating is something every one of our members deserves. Whether you are settling in for a program, sharing a meal, or simply enjoying the company of friends. Every donation, large or small, brings us closer to that goal. We invite you to be part of this campaign and help ensure that everyone who walks through our doors always has a welcoming place to sit.

Seniors' Week simply would not happen without our amazing facilities team. You work tirelessly behind the scenes by setting up rooms, resetting spaces between programs, and ensuring every corner of our building reflects the care and dignity our seniors deserve. During a week as busy as this one, your dedication is especially felt – thank you!

And to all the fathers and father figures in our community ... whether you are celebrating with family today or holding a treasured memory close, we wish you a warm and joyful Father's Day.

Here's to a wonderful week, together.

Meet Allan

Friendly Visitor relationship has developed into friendship

I first met Laverne on July 23, 2024. I was introduced by Debbie Pauls. Susan Vaughan, Laverne's sister-in-law was there as well. Debbie said to Laverne, "You don't have to entertain, make coffee or anything." Laverne said "I sure won't be doing that."

I don't think at the time Laverne was in favour of having a visitor, but now after two years, we have become good friends.

We spend a lot of time looking at Laverne's bird feeder that is attached to the tree in the back yard. Every 10 minutes or so Laverne jumps up and hollers at a black squirrel that has shimmered down to the feeder. The squirrel drops to the ground and runs off. Not long after it is back again and another shout out of Laverne. It almost seems like a game.

Even though Laverne wears hearing aids, he is very hard of hearing. For the past two years I've been speaking extra loudly to him and when I come home, my wife said why are you shouting. I say because I've been talking to Laverne for the past hour or so. A few weeks ago Laverne said, sometimes I have a hard time hearing you because you are speaking so loudly. Who knows? Laverne's family have lived in

Laverne and Allan on Laverne's back deck overlooking his garden that he is so proud of. Laverne has shared some of his squash and rhubarb with Allan.

Langley for well over 100 years. In fact, Laverne has been a member of the Langley rod and gun club for 70 years and is very proud to show me the trophies that he has won over the years along with his brother in skeet and trap shooting not only in British Columbia, but Alberta and down into Washington state

Laverne is not able to drive a car but does have a bicycle that he goes into the Village frequently to get his groceries and his bottle of scotch. His 93-year-old brother that

usually drives him around is not driving as much anymore. Laverne loves to cook and enjoys telling me how he prepares all his meals.

In the last two years, Laverne has never asked me one question even though we were both raised on dairy farms and have a number of things in common. I do have to give it some thought before my visit as to what topics we can cover during the hour or so that I'm with him.

Conversations With Dad

My Dad has been gone for twenty-four years this summer, but Father's Day still awakens many memories about who he was and what he taught us. There were technical things like how to ride a bike, how to drive a standard shift, how to milk a cow, or how to plant vegetables.

Then there were other lessons about respect, honor, trust and duty. The technical stuff was always taught by hand, the other stuff was mostly taught by example. We always noticed that Dad was welcome everywhere he went. At work, at his lodge or at church he was always given positions of responsibility and he made sure those duties were carried out on time. He expected the same from his children. "You shouldn't have to be told, just do the right thing."

He was a man of few words and thought the telephone was invented by the devil himself. I phoned over one day and Dad answered the

phone in a gruff voice, "Hello?" I was taken aback that Dad had answered and I said, "Holy smokes, is Mom in the hospital?" His reply, "Don't be a smart Aleck, she'll phone you back." Click.

If you phoned on his birthday or Father's Day, Mom would call him to the phone and the conversation went like this "Hi Dad, Happy birthday." "Thanks, here's your Mother."

When kids phone their Dads they usually want something. Maybe money, maybe a ride, or worse yet, maybe advice. Most dads of my dad's generation have really great advice to offer based on their experiences but they are also proud that they 'learned the hard way' and feel their kids will be better off making their own decisions.

Most of my dad's advice was delivered in the car, the garden, around the fire or in the shade of the trees he had planted, not over the phone. It's not that dads don't want to talk, they just prefer to talk in person.

PLAN YOUR NEXT BUS TRIP

For the safety, concern and enjoyment of all passengers, volunteers and staff, please read the following information before booking a bus trip.

Accessibility

All passengers must be physically able to do the following in order to take a trip unaided:

- Walk a minimum of 2 km.
- Be able to walk up and down the bus stairs unaided.
- Have good balance so that uneven surfaces do not become a fall hazard.
- This includes boat ramps, walks outdoors and gravel pathways.
- Not require the use of a scooter.

If you require additional support, you must bring an aide with you. Bus capacity only allows for 2 walkers on a full bus. If you have not notified LSRS that you are bringing a walker, you may not be able to bring it. Tips for the driver are not included and much appreciated.

Policies

Please speak to the Manager of Programs and Member Engagement if you need special arrangements to accommodate you for a trip prior to registering. Failure to do so could forfeit your ability to come on the trip and no refunds will be given.

- Bus trips begin and end at the Recreation and Resource Center. You must have a ride to the Center

and home. If you are walking home, be aware of the time we will be returning.

- Drivers, guides, hosts/hostesses, and staff are not allowed to give participants a ride home. The guide or host/hostess can call you a cab.
- Do not rely on other passengers to give you a ride home unless arranged prior to the trip.
- All belongings, including scooters, cannot be left in the Recreation and Resource Center while you are on a trip.
- *Minimum of 7 days notice is required for cancellations/refunds.*

Temporary fuel surcharge coming to bus trips

This information is from our bus trip partner *Enjoy the Journey*

We would like to share an important update regarding a temporary fuel surcharge of \$5.00 per person, which will apply to tours operating between April 27 and September 7.

As many of you have seen in the news, fuel prices have remained elevated. We have worked hard to absorb these increases for as long as possible, but in order to continue providing the high level of service and experience our guests value, we now need to introduce this small adjustment.

We truly appreciate your understanding and

partnership, and we will keep this process as smooth as possible:

For tours already booked:

For tours not yet booked (*July, August, and September*): The additional \$5.00 per person will be included in the advertised tour price.

We are very grateful for your continued support and collaboration, and we remain committed to delivering enjoyable and well-organized experiences for your members.

Angie shares her bus trip experiences

One of Langley Senior Resources Society's members, Angie, regularly partakes on the *Enjoy bus trips* and shares her photos.

Of the more recent trips offered, she most enjoyed the Harrison Tulip Festival in April. The bus took visitors directly to the festival where two and a half

acres of fields were adorned with 10 million tulips.

Guests were then taken to lunch at River's Edge Restaurant before a stop at Golden Ears Cheesecrafters.

"[Bus trips] are an opportunity to meet new people," Angie shared.

She said the trips capture a sense of community and foster a safe environment while exploring British Columbia.

Keep those bones healthy

The first warning sign of osteoporosis is frequently a fracture.

Osteoporosis is a disease that takes years to develop without any warning symptoms. Bone mineral is gradually lost, making the bones weaker and more prone to fracturing or breaking. These fractures usually happen in the hip, spine, wrist or shoulder, and they are called fragility fractures to indicate that the bone has broken because it has become more fragile.

Because the first warning sign of osteoporosis is frequently a fracture, it is often called “*the silent thief*” as it literally steals bone mass without giving any indication of doing so whatsoever, until a fracture occurs.

Exercise is an important step towards protecting your bones. Exercise is for everyone

including individuals diagnosed with osteoporosis, including those who have had a spine or hip fracture. If you have osteoporosis – you may need to make modifications or choose a different way to stay active entirely depending on your condition so you can stay active.

Physical activity is an important step towards protecting your bones, as it helps protect your spine, slows the rate of bone loss, and builds muscle strength, which can prevent falls.

If you are new to exercise, talk to your doctor before starting any type of program. If you are unsure of how or where to start an exercise program, speak to a physical therapist or kinesiologist to get advice on exercises that are right for you.

Mahmoud's Joke Corner

I said to my wife to try to have peace
at home we should leave our
problems at the door.
Now I am locked outside at the door!

A wife turned to her husband and
said: I was talking to you and you
yawned six times. Am I boring you?
Husband: Those were not yawns.
Those were six attempts to speak.

Leave a Legacy

Giving Through Your Estate

Legacy Giving can change the lives of older adults not just now but in the future. At some point in our lives, we begin to think about the impact we will have on the world after we're gone. What will people remember about us? Have we left our community a better place than when we arrived? How can we ensure the things that are important to us to carry on?

Every day, donors just like you leave meaningful footprints on our world through legacy gifts. Thank you for considering the Langley Senior Resources Society in your estate planning. For more information on how to Leave a Legacy, contact our Executive Director Kate Ludlam at 604-530-3020 ext. 321, or by email: katel@lsrs.ca

Honour Someone Special

In Honour or Tribute giving:

An *'in honour'* donation is a meaningful way to pay tribute to the life of a loved one and honour their legacy through a gift made in their name to the Langley Senior Resources Society. We can help supply donation forms for use at memorial services and Celebrations of Life and also provide the next-of-kin with a list of those who have made a gift.

The Hope Fund

Many seniors live on a fixed or limited income and may face difficulties when an unanticipated expense occurs. In some cases, a senior may need immediate short-term support to help them manage in the moment. We have witnessed many occasions where a vulnerable senior cannot afford to meet an urgent need which then puts their physical and mental well-being at risk.

Monthly Giving Donors

Consider Becoming a Monthly Donor

Monthly giving allows you to continue your support easily and make a difference year-round.

You only need to sign up once and can spread your donations out over the year, receiving one consolidated tax receipt in February. You are able to change or cancel your payments at any time!

Your monthly gifts also provide us with a consistent source of funding, allowing us to plan programs and initiatives with the comfort of knowing that we have a stable flow of donations. This helps us deliver the best programs and support we can to seniors in our community.

Other Sponsorship Opportunities

If you would like to sponsor a specific program or service or would like more information about any of these giving programs please contact our Community Fundraiser Bonnie McDonald. She can be reached by phone at 604-530-3020 ext. 323, or by email: bonniem@lsrs.ca.
